Title:	Approval of Edison State Community College's 2020-2022 Completion Plan	
<u>Background of Issue:</u>		
<p>The Ohio Department of Higher Education (previously the Ohio Board of Regents) convened a <i>Complete College Ohio Task Force</i>, charged with the goal of finding ways in which to increase the percentage of Ohio adults completing a postsecondary degree or certificate. The <i>Complete College Ohio Task Force</i> believes that the key to dramatically increasing the number and percentage of Ohioans with college degrees or other credentials of value in the marketplace is focused, intentional, sustained action at the campus level. The core recommendation of the <i>Task Force</i> is therefore a statewide requirement for all public institutions of higher learning in Ohio to develop and implement institution-specific Completion Plans which are consistent with the institutions' mission and strategic priorities. House Bill 59 called for each public college and university to submit a campus completion plan that was approved by their Board of Trustees to the Chancellor by June 30, 2014. The legislation further states that these plans are to be updated every two years, with the current Plan due December 1, 2020. Completion plans provide a continuous improvement framework that can allow campuses to identify and implement strategies to increase the number and percentage of students earning meaningful postsecondary credentials.</p>		
Impact on Student Success:	The initiatives identified in the Completion Plan focus on student success through connection, entry, progress, completion, and workforce development, with an additional area focused on the outcomes for students over the age of 25. These initiatives are to be accomplished through the continued delivery of Edison State's Career Pathways.	
Impact on Budget:	N/A. All expenses will be managed through departmental budgets.
