Title:	Statement on Ending the Withholding of Student Transcripts	
Background:		
<p>In September 2021, House Bill 110 Section 3345.027 Prohibition on Withholding Student Transcripts was introduced. The bill requires institutions of higher education to release transcripts to potential employers even if the student has an outstanding balance owed to the institution.</p> <p>In January of 2022, Edison State made the decision to <u>no longer</u> withhold transcripts for any reason. All student transcript requests made for any reason are processed even if the student has an outstanding debt with us.</p>		
Impact on Student Success:	By not withholding a transcript, students will have the ability to continue their education elsewhere without starting over.	
Impact on Budget:	NA	
Recommendation: Reaffirm the importance of not withholding a student's transcript for any reason.
