Re: Supplies for FY 2025 (July 2024-June 2025)

The following pages are the supply room list for fiscal year 2025

- Please fill out all requisitions in blue or black ink
- Supplies may be ordered & received anytime during the work week
- Please submit paper requisitions to my inbox or mailbox
- Supplies should be available for pickup the same day or the following day in purchasing
- See me or call me at 7833 if you need something urgently
- O Most items that are priced as a package/box can be requested as "ea". The pricing can be broken down to "ea" pricing by dividing the price by the total number of items in a package/box (or I can calculate that for you). Some items, like staples, paper clips, etc. cannot be fulfilled as a partial package request.
