

2024

ILLUMINATE THE *future*

EMPLOYEE CAMPAIGN

We're not just making a donation. We're making a statement.

Our gifts to The Edison Foundation's **Illuminate the Future** employee campaign demonstrate to our business partners, alumni, and community that we stand behind our work and, more importantly, our students. In 2023, Edison State employees raised **\$6,358**, which helped create six student scholarships. These efforts have inspired our community to donate **\$127,199** since the **Illuminate the Future** campaign's establishment in 2017.

This campaign is an excellent chance to donate in honor or memory of someone special. The Edison Foundation will send a notice of your gift to the honoree or their family members upon request. You can even direct your contribution to one of the numerous funds established to honor or remember Edison State employees, alumni, retirees, or students.

The Edison Foundation is a 501(c)3 nonprofit tax-exempt organization, which means your gift will receive a charitable income tax deduction in accordance with IRS regulations. You will receive acknowledgment and documentation of your gifts from The Edison Foundation.

Olivia Pitchford
Sidney, Ohio

With my education, I desire to go into the mental health field to help those in need. Accompanied by this scholarship, these goals will be easier to accomplish.

James Biser
New Paris, Ohio

Your generosity has inspired me to give back to the community. One day, I hope to donate to a student like myself to help them achieve their goals like you have helped me achieve mine.

Adalia Place
Wapakoneta, Ohio

By awarding me the Illuminate the Future scholarship, you have lightened my financial burden, allowing me to focus more on the most critical part of school, learning.
