

CRANE PUMPS & SYSTEMS MACHINING CERTIFICATE PROGRAM AT EDISON STATE COMMUNITY COLLEGE

Edison State Community College has teamed up with Crane Pumps & Systems to help you launch a career as a machinist.

This flexible program is a blend of online courses and hands-on learning labs. When the online portion is completed, students proceed to a hands-on learning lab with an experienced instructor to validate and reinforce the online learning experience, you also can earn up to seven college credit hours.

CRANE PUMPS & SYSTEMS AND EDISON STATE MACHINING PROGRAM

The CNC Machine Tool Operator Training Program equips employees with the skills needed to be successful CNC operators by offering a blend of online learning and hands-on validation learning labs. The program is divided into five subject areas:

- ✓ SAFETY, MATH, & MEASUREMENTS
- ✓ CNC MILL
- ✓ MANUAL MILL
- ✓ CNC LATHE
- ✓ MANUAL LATHE
- ✓ (5) IN-PERSON LEARNING LABS*

*Learning labs take place at the Edison State Community College Piqua Campus.
