**HELPFUL DEFINITIONS**

**Semester:** The length of time courses are divided into at a college.

**Registration:** Action of adding a course to a student's college schedule.

**Drop:** Removing a course from a student's schedule during the no-fault drop window. Dropped courses do not appear on the student's academic record and do not result in any charges.

**Withdraw:** Removing a course from a student's schedule AFTER the drop deadline but BEFORE the withdrawal deadline. Withdrawn courses DO appear on a student's transcript with a "W," and CCP students may need to reimburse school districts for related charges.

**Commencement:** Ceremony honoring students who have or will soon complete a degree or certificate at Edison State.
